Medibank Equity Swaps

An equity swap is a derivative contract where two parties exchange the return on an underlying equity asset, like a stock or stock index, for the return on another asset, usually a fixed or floating interest rate.

If you are a holder of Medibank Equity Swaps, when returning this form (via post or email) please also provide:

- (a) copies of the instruments and documents for each equity swap and related transaction (including any back-to-back transaction);
- (b) details of all other arrangements entered into in connection with each equity swap; and
- (c) details of any other trading in, or other transactions relating to, Medibank Shares that affect or may affect the calculation of loss under each equity swap.

C. SIGNATURE
